National Code Standard 8

Student complaints and appeals policy

Overview
1. The College endeavours to create a positive learning environment for students, one in which each student has the opportunity to achieve their personal best. Part of the maintenance of that positive environment is a fair and open complaints and appeals procedure made available to all students.

2. The availability of a complaints and appeals process does not remove the Student’s right to take further action under Australia’s Consumer Protection Laws, nor does the College’s dispute resolution process circumscribe the students right to pursue other legal remedies.

3. A student must be advised of the College’s Complaints and Appeals Policy in any case where a decision is made adversely impacting on their course progress such as in the event of a suspected case of plagiarism or cheating. Students must lodge a complaints and appeals form if they have a complaint or appeal. If they do not do so, but a staff member is aware that they have a complaint or wish to raise an appeal, that staff member must advise the National Manager of the case.

4. A complaints flowchart is attached to this policy.

Definitions
5. Complaint: means not being satisfied with services provided by, or treatment received at, the College.

6. Appeal: means not being satisfied with a decision made by the College in relation to a complaint.

Maintenance of student’s enrolment
7. A student’s enrolment will be maintained until all internal and external appeals processes are exhausted where the appeal relates to the College’s decision to report a student for unsatisfactory attendance.

8. A student’s enrolment will be maintained until the internal appeals process only is exhausted where the appeal relates to the college’s decision to defer or suspend a student’s enrolment due to misbehaviour or cancel a student’s enrolment in accordance with National Code Standard 13.
9. In the first instance, a student with concerns related to their time at the College should adopt the following procedure:

   9.1. The student will, firstly, communicate directly with the person involved in an attempt to resolve the matter in an informal manner.

   9.2. If the matter is not resolved to the student’s satisfaction, the student can take the matter further in a more formal way.

   9.3. The student can lodge a formal complaints or appeals form to the National Manager outlining their grievance, providing details including actions taken to resolve the issue. The form can be emailed to: complaints@tibc.nsw.edu.au.

   9.4. The student can make a verbal complaint via an appointment with the National Manager. If the complaint is made verbally, the National Manager must summarise the complaint in writing and have it signed off by the person making the complaint.

10. Students are at all times encouraged to contact either a Student Services Officer or Student Counsellor to discuss any concerns they may have. The Student Counsellor may provide advice about the options available to students during the complaints process.

11. If an appeal is being lodged under the following circumstances a Complaints and Appeals Form must be completed and signed by the student.

   11.1. Intention to report student to the relevant government authorities for failing to meet attendance requirements;

   11.2. Intention to suspend or cancel a students enrolment; or

   11.3. Refusal of a student’s request to transfer providers.

**Timeframes**

12. Where a complaint relates to the following a student has 20 working days to lodge a complaint prior to action being taken.

   12.1. Notification to report a student to the relevant government authorities for failing to meet attendance requirements.

   12.2. Intention to suspend or cancel a student enrolment.

13. The Student Liaison Officer or the National Manager will respond in writing within seven (7) working days acknowledging that he/she has received the complaint or appeal and is considering the merits of the application.

**Mechanisms for assessing student complaints and appeals**

14. The College will investigate the student’s concerns. The National Manager will, in consultation with the student, consider whether the complaint should be handled under the formal or informal mechanisms available. The National Manager will have regard to the nature and seriousness of the complaint as well as the views of the student.

15. If an informal complaints resolution procedure is adopted, mechanisms available to resolve the issue include mediation and facilitation discussions between the parties involved. These mechanisms are appropriate when it is important that all parties have a chance to voice their concerns but the relationship between the parties is ongoing and needs to be maintained. This mechanism is not suitable for serious complaints or where there is a factual matter in dispute.

16. For serious matters, a formal investigation process should be instigated. This is required for serious complaints and appeals and factual disputes. The formal process must be adopted where a complaint or appeal relates to the following issues:

   16.1. intention to report student to the relevant government authorities for failing to meet attendance requirements;

   16.2. intention to suspend or cancel a students enrolment; or

   16.3. refusal of a student’s request to transfer providers.
Informal resolution mechanisms

17. In cases where an informal complaints resolution procedure is adopted, the following guidelines apply;
   - All parties involved in the complaint must be invited to attend a mediation meeting;
   - Each party is permitted to have a support person present;
   - All meetings must be held by the National Manager or a properly authorized delegate;
   - Records of the agreed outcome must be made in writing and signed by all parties involved;
   - No threatening or intimidating behaviour is permitted during meetings. If such behaviour is exhibited by a party, the person responsible must be counseled and the complaint must be resolved using the formal resolution procedure set out below.

Formal resolution mechanisms

18. This formal investigation will involve contacting the party(ies) against whom the complaint was made or decision made to which the appeal relates and allow them to respond in writing in relation to the complaint or make submissions in relation to the appealed decision. Alternatively a meeting will be arranged with the parties involved where each party has the right to:
   - formally present their case with little or no cost involved; and/or
   - attend or be assisted in all discussions with a support person. This means that each party has the right to bring a support person with them to attend any meeting and/or discussion e.g. an agent or a relative or friend.

19. The National Manager will then inform, in writing, both parties of the outcome(s) and resolution in relation to the complaint or appeal, including reasons for the decision.

20. The complaint or appeal will be dealt with promptly and the length of time involved may vary in accordance with the complexities of the case. Under normal circumstances the applicant can expect at least a provisional written response within 10 working days of presenting their formal complaint and appeal. If resolution takes longer, the applicant will be kept informed on the progress of the case. All reasonable measures will be taken to finalise the process as soon as practicable.

21. In the event that the applicant is not satisfied with the outcome, he/she can take the matter further with the Chief Executive Officer of the College, using the relevant complaints and appeals email address.

22. All records of the complaints and appeals process and the outcomes are documented in the Complaints and Appeals Register and kept in a secure file. This requirement applies regardless of whether the complaints resolution mechanism adopted was formal or informal.

External appeals process

23. The College has nominated the Australian Council for Private Education and Training (ACPET) as its External Appeals Agent.

24. If the student finds no satisfaction with the College’s internal appeals process, the College will advise the student of his or her right to access the external appeals process by requesting mediation through ACPET. ACPET provides access to independent external appeals process at low cost to the student. The current costs for students wishing to lodge a complaint with ACPET is $200. If the student is successful in their appeal, a refund of $100 will be paid to the student.

25. Students wishing to lodge an appeal with ACPET should submit an external appeals form available on the ACPET website (www.acpet.edu.au) and lodge the form via the following email address: Student.appeals@acpet.edu.au. Appeals are turnaround by ACPET within 1 month of lodgement.

26. At any stage of the complaints / appeals handling process, students are free to complain to an external agency.

27. If the matter cannot be resolved within the College according to the above procedures, then resort can also be had to Australia’s legal system.

Record keeping

28. Each complaint, appeal and its outcome is recorded in writing on the Complaints and Appeals Register and a diary note is
placed in the student file.

29. Emailed complaints and appeals will be responded to within ten (10) working days and recorded in the Complaints and Appeals Register.

30. Verbal complaints that the student does not wish to formalise in writing should be recorded in the Diary Note form to be forwarded to the National Manager and recorded in the student file.

31. In the case where a student wishes to formalise a complaint and appeal as per the Complaints and Appeals Procedure, all documents are kept in the student file and the details recorded in the Complaints and Appeals Register.

**Actioning Student Complaints**

32. Where the appeals process results in a decision supporting the student complaint the College will immediately implement the required corrective/preventative action.

33. Regardless of the outcome of the student complaint, the student will be advised in writing of that outcome and the reasons on which the outcome was based. The student’s file will be updated with records of the outcome of the student’s complaint.

OVERVIEW OF STUDENT COMPLAINT PROCEDURE

ATTEMPT TO RESOLVE THE ISSUE
If you feel comfortable, you may discuss your concerns with the person involved. You do **not** have to do this.

The Student Counsellor may also provide advice about options throughout the complaint handling process.

You can seek advice from the Student Counsellor or Student Services Officer about your options.

LODGE A COMPLAINT
If you don’t feel comfortable approaching the person directly, or you tried this and it didn’t help, raise the issue with the College officially by lodging a Complaints and Appeals form. The National Manager will consider whether it should be handled under the informal or formal complaints procedure, having regard to the nature and seriousness of the complaint, as well as your views. All complaints, whether handled formally or informally, are recorded in the Complaints Register.

You can, at any stage, refer your complaint to an external agency.

INFORMAL COMPLAINT PROCEDURE
Informal processes (such as mediation and facilitated discussion) focus on finding a resolution which is acceptable to all parties. It is not about who is right or wrong. It is suited to less serious complaints or where the aim of the process is to keep a good relationship between the parties.

INTERNAL APPEAL
If you are not satisfied with the handling of your complaint, you may appeal to the Chief Executive Officer for a review of the process.

EXTERNAL APPEAL
If you are not satisfied with the College’s internal appeals process, you can lodge an appeal with ACPET, the College’s External Appeals Provider, for a cost of $200 ($100 refundable in the event of a successful appeal).

EXTERNAL COMPLAINT
You can, at any stage, refer your complaint to an external agency.
